

Now Scheduling Appointments for **HOUNDSTOOTH** NON-ANESTHETIC DENTISTRY CLINIC

We have very qualified dental hygienists who perform routine dental cleanings without anesthesia. Pets who require extractions are then referred to the clinic's veterinarian as that must be performed under anesthesia. In severe cases, the pet may be referred to a veterinary dental specialist.

Houndstooth Non-Anesthetic Dentistry is performed on both dogs and cats

Now scheduling for October 2019:
Saturday, October 19th
Sunday, October 20th and
Monday, October 21st

Holistic Veterinary Healing is one of very few clinics in the area offering this service for your pet(s).

Call 240-715-6570 today for an appointment.
